Hon. Mark Pedersen

Re: USA v. John Looney, 22-CR-6009

Dear Judge Pedersen:

I am requesting a 30-day adjournment of the Argument of Motion date in the above-referenced matter.

The government, AUSA Megan McGuire, does not oppose this request. AUSA McGuire and I request a 30-day period to respond to my motions due to Ms. McGuire's wedding date in late August . I have no objection, of course, to an argument date that would give the Government necessary time to reply.

This is the defendant's request and therefore, I would move for an exclusion of speedy trial time during the period of adjournment so I may file motions in this matter.

Respectfully submitted,

  
James Napier, Esq.
